RESIDENTIAL - CUM - DAY SCHOOL - CBSE & MATRIC

Aakash

Medical | IIT-JEE | Foundations

Dear Students and Parents,

We are attaching a study schedule (06.00 p.m. to 08.00 p.m.) for our students. The schedule is available in two modes: online and offline.

- Offline classes refer to the after school sessions conducted at the school. Day scholars who are interested may attend these classes.
- Online classes are available for students who are unable to attend offline sessions. These sessions will primarily focus on doubt clearing.

All students who are not attending offline classes must mandatorily join the online sessions. Any student found absent from these sessions will be required to submit an explanation letter to the Principal.

A video tutorial on how to use MS Teams is also attached to this message. The Class X online sessions will commence within a week.

Additionally, parents are required to download the My Aakash App and login to the portal. This app provides all necessary details regarding your child's admission. It also contains:

- Tutorial videos for every chapter
- Model question papers for each subject
- Subject related doubts, which will be answered by experts.

For all main examinations, as per the initial planner, you will be able to view the results in the My Aakash App. For cycle tests, the results will be sent via message.

Kindly refer the Online and Offline timetable sent along with this message.

For further clarifications, you may contact:
