Dear Parents,

We hope your child has a joyful and successful academic year ahead.

We are excited to see our students in their new uniforms. If you have not yet collected the uniform due to unavoidable reasons, you may do so tomorrow.

On the first day, kindly avoid sending too many items in your child's bag. Please send only the necessary textbooks. Other materials and notebooks may be sent later as per the instructions from the class teacher.

Please ensure your child carries Healthy snacks in appropriate quantity and clean towel for use during lunch break.

For students from KG to Class II, an extra set of clothes may be packed in their school bag every day for emergency use, until further notice. We also request you not to send fancy lunch boxes, stationery, or pencil boxes to school.

Lastly, we encourage you to talk to your child daily and be actively involved in this magical journey of learning and growth.

Warm regards,

Mrs. Niranjani

Headmistress, Tiny Seeds - Paavai Vidhyashram Sr. Sec. School (Namakkal).
