Dear Parents,

We would like to inform you that we have been receiving various requests from our parents regarding students pushing them to buy expensive branded shoes. In order to address this issue, the school has decided to standardize the shoes across the campus, and only this particular pair of shoes (TATA International) will be allowed inside the campus.

- These shoes are available in all sizes and can be purchased at a discounted price.
- The shoes are multifunctional and can be worn at both formal and sporting occasions.
- Students can get the shoes at ₹1500/- (while the original MRP rate is ₹2489/-)
- Additionally, blue cotton socks are available for ₹75/- per pair.
- TATA provides a year warranty on all shoes purchased.
- Students are also allowed to purchase any number of shoes and socks as per their requirements.
- Students will be permitted to wear only the above-mentioned brand of shoes and socks during this academic year.

Thank you for your cooperation.
