Dear Parents,

We are pleased to inform you that we have introduced a Daily Activities & Monthly Checklist section in your ward's diary to promote discipline, self-awareness, and a sense of responsibility.

Digital Lite (limit usage to 30 minutes) | Eating Healthy | Daily Exercise
Reading & Writing Activity (Daily activity)

My home My responsibility (can be recorded in the journal entry page)

Parents are encouraged to tick off the activities that the child is consistently following. This helps to track their growth and stay motivated. Students who have already maintained their daily records in June can reflect the same in the new format provided in the diary.

Consistent efforts throughout the year will be appreciated, and students showing outstanding commitment will be given prizes during the Annual Day celebrations. For hostellers, class teachers and wardens will supervise and guide them to ensure this practice is followed regularly.

We request your kind cooperation in motivating your child to maintain this with sincerity.
