PAAVAI CARNIVAL

edition 1.0

To our incredible parents and students,

From the bottom of our hearts, thank you for making our carnival a spectacular success. Your dedication in bringing different countries to life through amazing models and costumes gave our children a truly global perspective. We are moved by the way you stepped up to support the kids—this event wouldn't have been the same without your energy and love. You didn't just help; you made magic happen.

We also want to share a special word of appreciation for our remarkable students. Your enthusiasm was the heartbeat of the event, and your eloquent explanations brought every exhibit to life. Seeing such a large number of you participate with such pride was truly inspiring; you were confident ambassadors of the world.

With deepest gratitude,
The School Team
